

# East Hants & Districts Chamber of Commerce

## Board of Directors Nomination and Application Form

**Open until: February 28th, 2022**

The East Hants & Districts Chamber of Commerce (EHCC) is looking for volunteer board members to join our team and we are hoping this is you or someone you know!

Established in 1985, the EHCC formed to advocate for businesses and help develop our community. We offer something for everyone whether you are a new entrepreneur, an employee of a local business or a seasoned professional, there are lots of opportunities to get involved. Our volunteers help plan networking events, education programs, advocate for local business needs and work in teams with the goal of building a stronger East Hants!

To continue this mandate, we need a diverse Board of Directors and we recruit annually before our Annual General Meeting (AGM) which takes place this year on March 22nd, 2022.

The Nomination Committee will consider all names brought forward and recommend a board that will be voted on at the AGM.
