“

Excellent customer service from Andrea!! Smooth set-up of my Clover terminal from SONA. I absolutely love it!!! Wish I had this a long time ago! This machine is amazing for our dental office. All dental offices should have a Clover.

Windsor Woods Dental, Delta BC

Andrea has been great to set us up and is available quickly when we have had questions. The support has been better than any other system we have tried and are very happy with the service.

AJ's Electrical, Delta BC

Andrea's level of service and expertise is unmatched. Whenever my company has been in need of business solutions or support, Andrea has been there in-person or on the phone immediately to help.

Albany Books, Delta BC

Andrea & the team at SONA did a fantastic job setting up our merchant services account, and introducing us to the Clover Flex terminal! Our customers appreciate the streamlined appearance and ease of use of our new terminals. I appreciate the reporting features and cost savings.
